KEY SERVICE UPDATES

From 1st April MPFT will be providing specialist consultant led contraception and GU sexual health service to the residents of Leicester City.

Sexual health services for Leicestershire and Rutland residents after 31st March will be managed by HCRG Care Group.

Within the city, our current pathways will remain largely the same

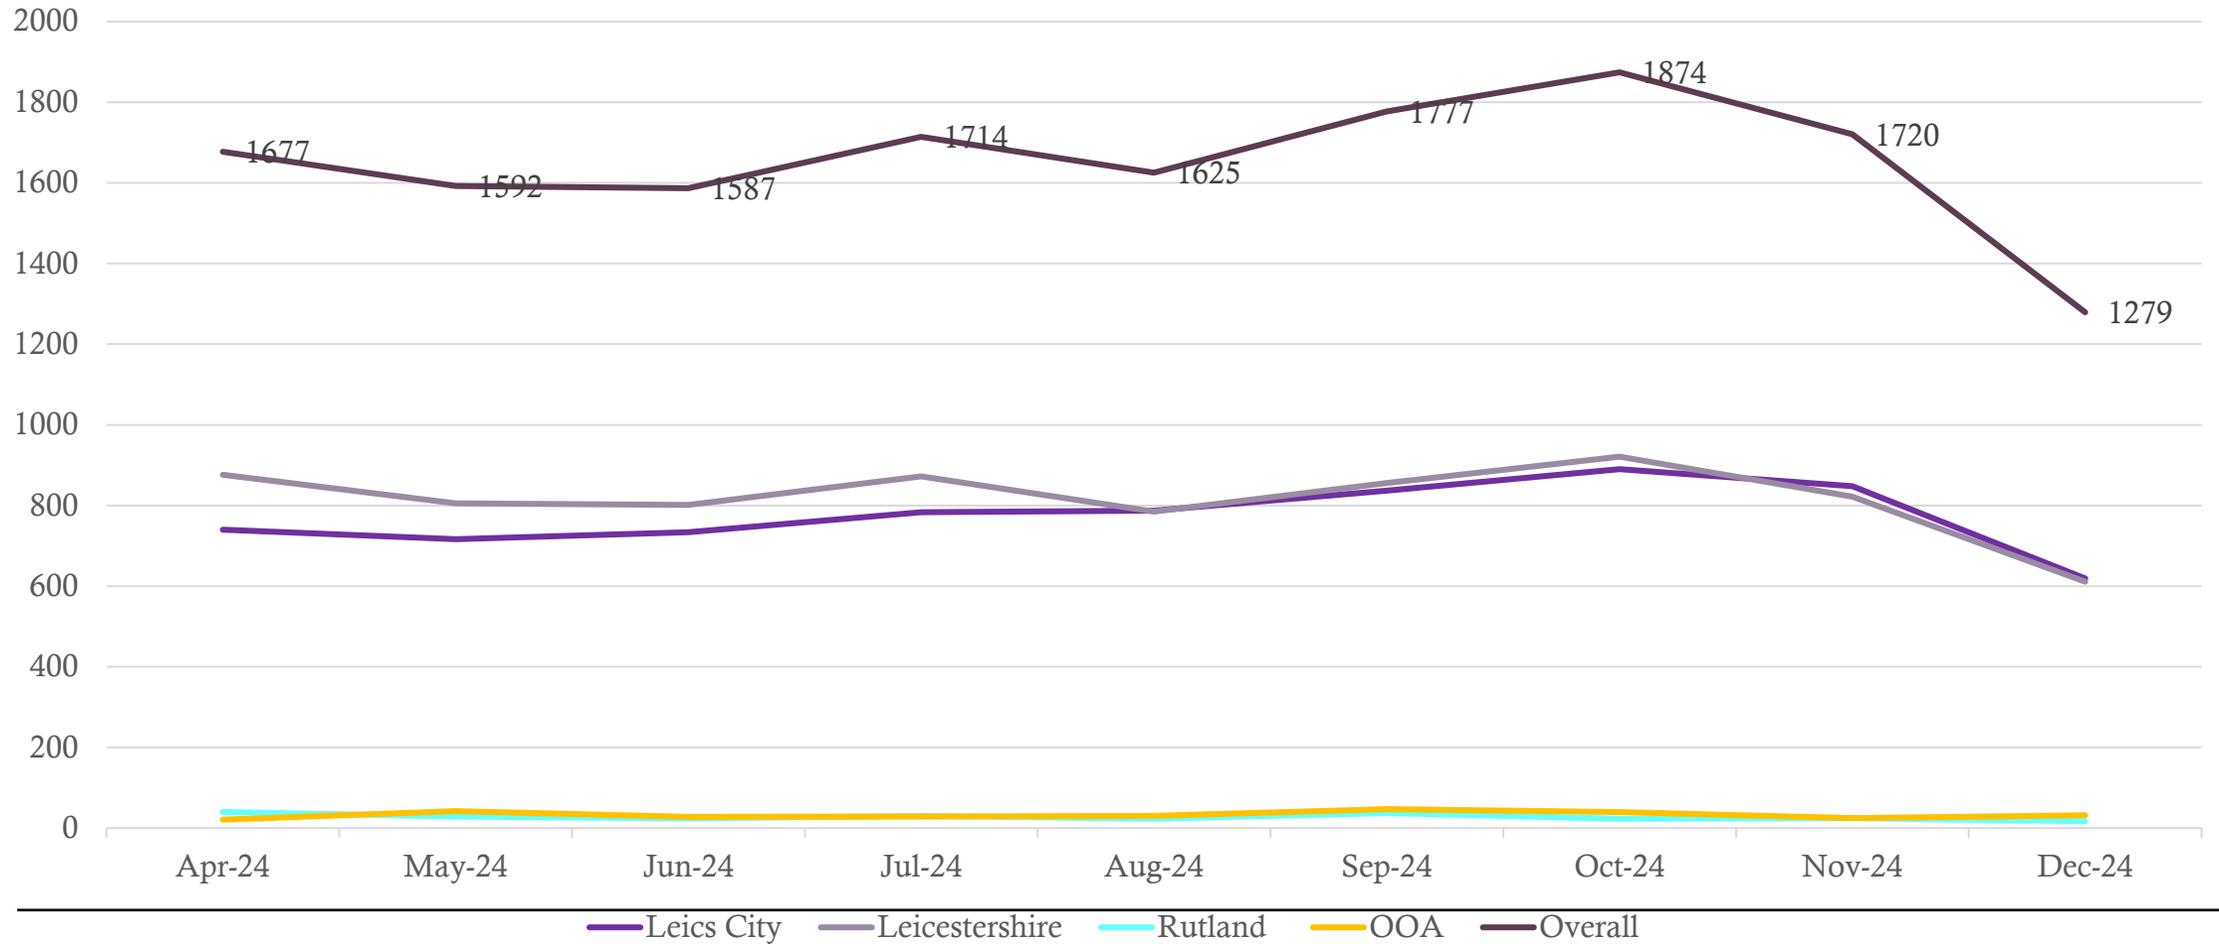

HCRG will be sharing contact details with service users before the transfer of services in several different formats, including website information, posters, and appointment information. The new website will be live from 1st April 2025.

Some staff from Leicester Sexual Health will transfer to HCRG Care Group, so you may continue to see many of the same healthcare professionals.

APRIL 2025 ONWARDS

- From 1st April there will be some changes to the Leicester Sexual Health Service website:
 - We will have new branding
 - Update our online booking service.
 - Only Leicester City residents will be able to book appointments online.
 - HCRG will have a similar service via their website.
 - Updated message on the phone system to help direct service users to the right service.
-
