

Sexual Health Services Available To You

C-Card

The C-Card scheme offers confidential and easy access to free condoms & lube from a range of local venues including pharmacies, colleges and universities. Online registration available to people aged 18+.

STI Testing Kits

Order a free self-taken STI testing kit online. It can test for chlamydia, gonorrhoea, syphilis and HIV. Available to people aged 16+ with no symptoms.

Emergency Contraceptive Pill

Sometimes known as "the morning after pill". Read more information about when to take it and where you can get it from.
