

C-Card Reminder Sheet

How to register

1. Service user needs to fill in the white section of the form with their information
2. Professional checks all fields are filled and legible
3. Professional works through checklist on the form with service user
4. Professional fills in venue, staff member, date issued, C-Card number and circles appropriate registration type
5. Issue C-Card and C-Card pack to service user, tick off first box on back of card

How to distribute

Distribution means the issuing of repeat packs after registration.

1. Fill in the date, C-Card number and visit number on the distribution form
2. Issue C-Card pack and tick off the visit number box on the back of the C-Card
3. If last visit, offer to register for a new C-Card or signpost to the nearest registration venue (all pharmacy registration venues can be found on www.leicestersexualhealth.nhs.uk)

Under 16s

For venues which offer registration for under 16s

Fraser assessment

(The Fraser Guidelines are followed by all practitioners where condom issue, after discussion, is deemed to be in the best interest of the young person.)

Risk assessment

(If you are concerned, follow internal safeguarding procedures.)

Condom Packs

We offer a range of condom packs dependent on age and preference.

All of our condoms are provided by LTC Healthcare, which have an excellent reputation nationally.

All of our latex condoms come in a regular size.

If you require condoms of a different size, or latex-free packs, please email the team at LeicesterCCard@mpft.nhs.uk
